

Scope of Work 5/2011

- Prices are good for 30 days from the date of the quotation, except those items that are affected by rising commodities, such as cotton, foam, polyester, wading, etc., These prices fluctuate daily and can change on a moments notice. Since we are affected by these price swings, be advised that your quote may too change.
- All items contained in this quotation (on all pages) are based on the sizes and specifications quoted herein. If the sizes or styles change, then there may be a change in the price. Lazarus Manufacturing assumes no responsibility for inaccuracies in the specifications.
- Prices do not include packaging costs.
- This Scope of Work page is an addendum to the original quote page(s).
- Installation price based on one trip to the hotel to measure and two trips to the hotel for installation. Additional trips may incur a surcharge.
- Price does not include (unless otherwise stated) expenses occurred by installers, such as air, hotel, rental car, etc.,
- Installation pricing ONLY includes hanging items, it does not include removal. If you would like removal, please specify on your request for quote.
- COM Yardage calculations are based on specific widths and specific repeats. In addition, there must be a minimum of 60 yards per roll for the COM yardage calculation to be accurate.
- Lazarus Manufacturing is not responsible for the performance of the COM fabrics.
- Lazarus Manufacturing not responsible for COM fabrics left on premises for more than 60 days.
- Steaming of draperies is not included in this quotation.
- Prices given are based on a complete package as quoted. If there are any deviations or deletions, Lazarus Manufacturing reserves the right to re-quote based on the new specifications.
- Promised delivery times are from the date all fabrics have been received. Orders are not put in to work until ALL fabrics have arrived at our manufacturing facility.
- Prices quoted do not include any applicable sales tax.
- Prices are based on FOB factory in Medley, FL. If freight is part of the quote, it is provided as an estimate. We are not responsible for increases in freight costs.
- Please refer to quote number when ordering.
